Dreamland of Humanists offers tantalizing glimpses of a regional historiography that will illuminate various German Jewish research communities as idealistic, ethically projective nodes of collaboration and cultural critique. However, her rather inconsistent analysis also threatens to repeat the methodological flaws of postwar scholarship on German Judaism.

That he succeeded in some way”Levine argues that the library was central to the creation of both Cassirer’s Philosophy of Symbolic Forms (3 vols. [Berlin, 1923–29]) and Panofsky’s method of iconology”demonstrates that Hamburg”or, at least, the liberal, Jewish, elite Hamburg of the Warburg family”did indeed shape an important part of twentieth-century art historical and philosophical thought.
