Medical Interviews - a Comprehensive Guide to Ct, St and

The patient interview is the primary way of obtaining comprehensive information about the patient in order to provide effective patient-centered care, and the medication history component is the pharmacist's expertise.

The Patient Interview - Jones & Bartlett Learning

ST interviews are structured interviews centred based on a multiple-stations format "Structured" means that the interviews are no longer an assessment tool whereby candidates were asked a few questions and were recruited on the subjective judgement of the interviewers.
