

more games for the pdf

A numbers game: seen and heard. I. Each of the sentences below contains a hidden number. It may be wholly within a word or may go across two or more words. In each case the spelling is exactly the same as the written form of the number, although the pronunciation may be different. Example: I. f. I've said something to hurt you, I'm sorry, (five).

The level of the games' difficulty gradually increases over the course of the book. With a few exceptions, the games at the beginning are easy enough for first-graders, while the ones at the end are more appropriate for nine- or ten-year-olds. However, almost all the games can easily be modified for different ages.
