Nothing fiction about this one. All words practical. And I like it that way. Each case is written and explained so comprehensively, I became more interested in the business of forensic and pathology. Perhaps it is occupational hazard, I was never interested in crime until I started writing crime thriller.

review 1: Sweet yarn from 1945 where an investigation into the death of a soldier spins into a town's race for mayor, a silver mine in Mexican territory, and the couple that the detective broke apart ten years earlier. This has got it all: murder, politics, crooked newspapers, the military, and border crossing. Really, really fun. The only reason I didn't give it a perfect score was, if you've ...
