Trove: Find and get Australian resources. Books, images, historic newspapers, maps, archives and more.

Heat and thermodynamics : an intermediate textbook / Mark

Heat and Thermodynamics (SIE) [Zemansky] on Amazon.com. *FREE* shipping on qualifying offers. The new volume of heat and thermodynamics endeavours to maintain the original classical flavour while at the same time ensures that novel advancements in the subject are also brought to the forefront. This textbook is a bridge between thermal physics and the more challenging world of time-dependent non ...

Heat and Thermodynamics (SIE): Zemansky - amazon.com

This respected text deals with large-scale, easily known thermal phenomena and then proceeds to small-scale, less accessible phenomena. The wide range of mathematics used in Dittman and Zemansky's text simultaneously challenges students who have completed a course in impartial differential calculus without alienating those students who have only taken a calculus-based general physics course.
